WHAT WE ARE LOOKING FOR

We are seeking a full-time and part-time licensed veterinarian(s) for our small animal clinic established in 1970.

- ❖ Schedule: No weekend or night calls.
- ❖ Full benefits, competitive and negotiable salary, two weeks paid leave, IRA with 3% contribution and membership in TVMA and AVMA.
- ❖ Starting salary: base and lucrative incentive or salary, negotiable.
- ❖ Optional efficiency apartment, on site.
- ❖ Sign-on bonus.

ABOUT OUR FACILITY

Our new, 8,500 square foot state-of-the-art facility, built in 2010, is equipped with 5 exam rooms, 3 wet tables, ICU, isolation, an Idexx lab, surgical center with 3 operating tables, full dental capabilities, in-house pharmacy, boarding (200 animals), digital radiographic imaging, endoscopy and ultrasonography. We specialize in advanced diagnostics and complex surgeries with proprietary techniques (ACLs, bone pins and plates, GDVs, Ex-laps, spinal procedures (hemilaminectomies, etc.).

We currently treat 150+ clients and 20+ surgeries per day and continue to grow.

DUTIES AND RESPONSIBILITIES

- Treat and prevent an array of animal diseases and illnesses
- Conduct tests and observations to provide diagnosis
- Administer vaccines
- Perform operations and provide any needed therapy
- Perform spay and neuter surgeries
- Communicate with clients to provide education, build rapport and adequately explain treatment plans
- Collaborate with veterinary technicians and other staff to provide comprehensive, state-of-the-art care

STAFFING COMPOSITION

- 2 Full-time Veterinarians
- 10 Veterinary technicians/assistants
- 7 Front Desk Staff
- 7 Kennel Staff
- 2 Skin and Hair Staff
- 2 Administrative Staff

REQUIREMENTS AND QUALIFICATIONS

- Passion for animals and an active interest in their health and well-being
- Knowledge of best veterinary practice with a desire to advance in the field
- Excellent verbal communication skills to adequately communicate with patients and staff
- Problem-solving capabilities with a willingness to tackle unique challenges
- High emotional intelligence with the ability to empathize with families
- Ability to manage time, prioritize and thrive in an oftentimes fast-paced and high-pressure environment
- Strong leadership skills
- Possession of a veterinary license and willingness to continually meet licensing requirements
- 1-3 years of veterinary experience in a clinic or animal hospital environment, preferable but seeking new grads as well

ABOUT THE AREA

Temple is a wonderful, welcoming community in the heart of Central Texas. With over 1,200 Medical Doctors coming here because of Baylor Scott & White Hospital, we have a growing cultural city that is home to a well regarded school district with a great "Friday Night Lights," small-town feel. We have the Cultural Activities Center and the Temple Civic Theatre that are constantly enriching our city with the arts and theater. With Austin (one hour) and Dallas (one and a half hours) right down the road in each direction, we are close enough to the "big cities" but far enough away to have an inviting environment and a low cost of living.

MEET THE OWNER

Dr. Gosney was born on a dairy farm and made an unwavering decision to become a veterinarian at the

age of 8. After finishing his undergraduate work at Texas A&M University in 1966, he entered their School of Veterinary Medicine and received his Doctor of Veterinary Medicine in 1968.

Since Gary had been in the Corps during his college years, he entered the military as a Captain in the Veterinary Corps of the United States Army in August of 1968. From June of 1969 to June of 1970, Gary was stationed in Saigon, Vietnam, where he served as the Zoonosis Control Officer and later became the 25th Infantry Division Veterinarian in Chu Chi, Vietnam.

For his service, Gary was awarded the Bronze Star; the Army Commendation Medal; The Vietnam Commendation Medal and others.

In 1970, Gary started his veterinary practice in Temple, Texas, and has been a contributing member of the community ever since. He is a professional speaker, a published playwright, and has appeared in over 100 productions of civic theater plays. He has been voted for Best Veterinarian in Central Texas 20 years in a row and has even developed his own surgical technique for ACL repair doing approximately 250 a year.

He is a member of the Central Texas Veterinary Medical Association where he has been voted the top Veterinarian in Central Texas for fifteen years in a row.

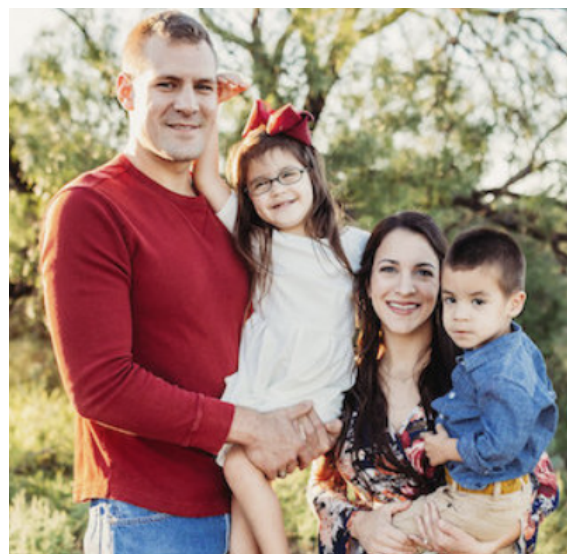

MEET OUR ASSOCIATE VETERINARIAN

Dr. Tyler Cochran DVM. Dr. Cochran grew up in beautiful Spring Texas, in Harris County. After obtaining his Bachelor of Science degree in Biology from Abilene Christian University in 2009, he attended Angelo State University and earned a master's degree in Biology. He was accepted into the highly competitive College of Veterinary Medicine program at Texas A&M and graduated in 2016.

After graduation, Dr. Cochran accepted a position in San Angelo where he resided until joining our practice in Temple. He has a special interest in small and exotic animals.

Dr. Cochran is married to his lovely wife Lauren, and they share two children, Kirby and Cooper. Dr. Cochran enjoys spending time outdoors as much as possible in activities such as mountain biking, hiking, camping, fishing, kayaking, pretty much anything outdoors.

Dr. Cochran has three dogs Rosie, Ollie, and Ruthie, one cat named Cattybooboo, and a beta fish named Buster.
